**Vine:** 100% Pinot Grigio

**Vine training system:** Doppio Capovolto (double arched) – sixth planting distances with 4500 vines per hectare

They are then lightly pressed and the obtained must is placed in stainless steel containers where alcoholic fermentation will take place. The wine is left to mature in the same containers for about 5 months. When this period is completed, bottling is carried out followed by refining in the bottle before being marketed

**Sensory notes:** Intense and full bouquet with typical hints of acacia flowers. On the palate it confirms the olfactory sensations; elegant, full bodied, slightly acidic and with a pleasantly bitter aftertaste

**Gastronomic pairing:** Excellent as an aperitif. It can be served with acacia and elderberry flower fritters which enhance its taste. Also perfect with risotto or first fish courses and white meat

**Serving temperature:** 8-10° C

**Alcohol content:** 12,5% Vol.
